

Royal Mail Glorious United Kingdom Smiler sheet

Celebrating some of our greatest glories.

Researched and designed by Neon, the Royal Mail Glorious United Kingdom Smiler sheet was part of a set created to celebrate some of our country's unique and fascinating places, structures and landmarks.

As well as this sheet, other Neon projects for Royal Mail have included focused on the London 2008 and 2012 Olympic Games, the 40th anniversary of the first flight of Concorde Smiler, and 10 years of the London Eye, to name just a few...

Kind words...

*"Some interesting places found,
lovely job."*
